

Case Study by  
*squid.inc*

A black ink-splatter graphic consisting of several teardrop-shaped droplets radiating from a central point, located at the bottom right of the "squid.inc" text.

Leading interior design firm, specialising in hotels, restaurants and clubs.

This project brief was executed by Squid.inc to maximise the available space within a fascinating but difficult building endeavouring to create an iconic, tasteful and outstanding hotel in Manchester.

here's how we did it.
